10:45 - 12:00 **Project updates: (max 10 minutes each with time for discussion)**

- Vegetation Management Response Report (Kara)
- Beetle Report (Tim Graham)
- WRI Project Update – end 2.0, start 3.0 (Kara/Tony/Jake/Gabe/Tamsin...etc)
- Geodatabase update (Gabe and Tony)
- Site Reassessment update (Duncan)

12:00 - 12:45 Networking Lunch break (Travel Council is providing sandwiches; bring snacks & drinks)

12:45 - 1:45 **Visioning discussion**

Review where we started, where we’ve been and the options of where we go next...

(Group discussion with a powerpoint prompt by Kara)

- Revisit Purpose of group – 10 year/15 year celebration
 - Summer 2018 visioning process review
 - Plan revision – working group tools accessible to each entity with it’s own objectives or something else?
 - Are we writing a plan saying “WHAT to do” or providing tools for communication across agency boundaries and tools for consistent decision making across boundaries?
 - Are we a public group or a working group?
 - Tradeschool, news network or university?
 - Facilitating work across political boundaries or setting direction for projects and management?

1:45 - 2:00 **Wrap Up - next meeting etc**

Time for partners to mingle/touch base/network. Wrap up, action items, topics and venue for next meeting...
